Oggetto: Upgrade Your PowerCab With This Great Pack!

[View this email in your browser](#)

> Turn your PowerCab into a FULL 5 Amp "PowerHouse"!

If you have a PowerCab, you already know how reliable and easy to use it is! Of course, as a starter set it has limitations around the number of handsets (cabs) that can be used, the size of the recall stack, macros, no computer interface, no ability to unplug the handset and move around the layout and of course the amount of power available (PowerCab ships with a 1.8A power supply).

PowerHouse Pro is NCE's professional system which has none of these restrictions and delivers a full 5 Amps of power to your layout - meaning more locos, more lights, more sound and more functionality! But if you already have a PowerCab, you don't want to go to the expense of buying the full system - after all, you already have the handset!

This is where the [NCE PowerHouse Bundle](#) comes in!

This pack gives you **ALL** the benefits of the NCE PowerHouse Pro system and upgrades your PowerCab starter set to a level unobtainable using booster kits!

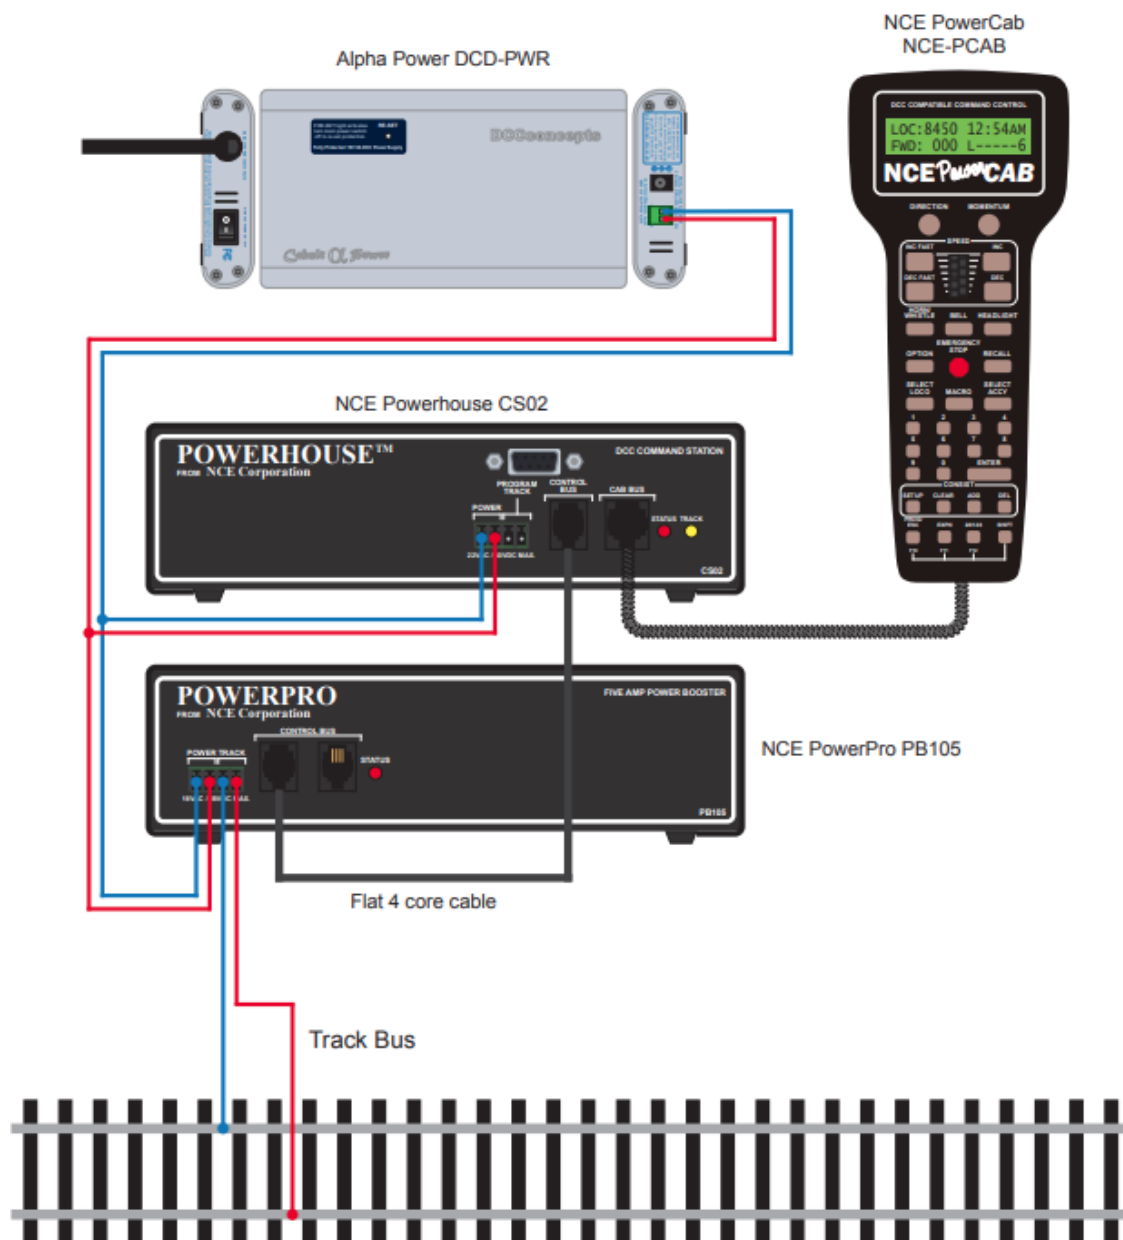

Diagram included for connection assistance - PowerCab handset and connection cable **not** included in the NCE PowerHouse Bundle. Please ensure you have a working PowerCab or ProCab handset before ordering this pack.

What comes in the pack?

*Everything you need is included - just plug everything together and connect **your** PowerCab! Here's what's in the bundle...*

NCE CS02 Command Station

NCE PB105 5Amp Booster

5 Amp Alpha Power

5 Metres of Red / Black Wire

Package Price Only £399.95 (inc VAT)

Stock is limited - so don't miss out on this fantastic bundle to take your PowerCab to the next level!

LIMITED AVAILABILITY

> A date for your diary!

***We will be hosting our annual open weekend on 15th & 16th July!
There will be *plenty* to see, with operating layouts, demonstrations,
advice, courses and even mainline steam! We will also have food and
drink available with our on-site barbeque!***

Watch out for more information coming soon!

DO support your local dealer if you can. Having a specialist model railway store close by is a great advantage for ANY modeller.

You can find a map of all our dealers by clicking below.

> **Upcoming shows and events**

We will be attending the Billericay Model Railway Exhibition on Saturday 27th May at Hannakins Farm Community Centre in partnership with [Modula Layouts](#).

> **That's it for this time... ..lots more interesting stuff to come!**
