> ***The Ultimate Track Cleaner is Back In Stock!***

DCCconcepts Jumbo Track Cleaner is tough on dirt, but gentle on your track! You won't believe how effective it is!

DCT-TCB - Only £12.95 (inc VAT)

GOOD AVAILABILITY

Its not only **HUGE** (big enough for double track), it is also the very best manual track cleaner available by a country mile – the pure rubber means it can be simply washed clean AND that it will also tolerate solvents if needed.

The use of aluminium oxide instead of garnet means that unlike other cleaners, it **polishes** rather than scratches the rail, minimising the need for future cleaning.

We like to like to like, but by all means cut it into several separate blocks if you wish.

> **Also Back In Stock NOW!**

Fibreglass Brushes and Refills from only £5.95!

6x File Set - DCT-FS6 - ONLY £8.95
