Oggetto: Our newest models in development

These are models we have decided to make. They may be a few weeks or months away from production and the pictures that you see here might not necessarily be the final versions. Your suppliers are now deciding how many of each model they will order from us. This is the best time to reach out to them and make sure they keep the model for you. Many of these models will probably never be made again.

**[S0311] Mirage M9 No.10 10th 24H Le Mans 1978 V.
Schuppan - S. Posey - J. Laffite**
