# NOW YOU CAN EASILY BUILD-A-WORLD WITH WALTHERS!

Whether you're exploring the fun of modeling for the first time, or ready to learn new skills, the Walther's Build-A-World modeling kit subscription program is for you. The six-month series brings you all the tools and supplies needed to build a complete 12 x 24" diorama. Each kit complements the previous month's release, giving you hands-on experience in every phase of construction. You'll learn how to create a base, assemble structures, create realistic scenery and lay roadbed and track. Each comes with an illustrated instruction book, and videos packed with skill-building tips and techniques. Learn more about this exciting new series starting on page 4 in this issue!

# GET READY FOR A NEW APPROACH TO MODELING!

## INTRODUCING WALTHERS ALL NEW MODELING KITS!

A subscription program for both new and experienced modelers, each kit is an all-in-one crate filled with the materials and instructions you need to build a miniature world!

## DELIVERED STRAIGHT TO YOUR DOOR!

Walthers *Build-A-World* is a six month program with a kit delivery each month, taking you from start to finish on creating your own 12" x 24" diorama.

## CUSTOM THEMES

Choose from a number of themed programs including rural and urban scenes. These 'kitchen table' projects are perfect for dorm rooms, apartments, youth clubs and senior living communities. And when completed, can be proudly displayed and used to showcase your favorite trains (not included).

## TEACHING NEW SKILLS

Each kit builds on the teachings of the previous, introducing you to the skills used in model railroading and the creation of miniature worlds. Already a modeler? Walthers *Build-A-World* kits let you brush up on your skills with easy to access "How-to" videos created by top modelers along with printed instructions.

## CONNECTING YOUR WORLD

Great team activity for clubs, friends and family. Move away from the electronics and let your creativity soar. Clubs and youth groups can each work on a kit and compare the results. How will you make your diorama unique?

*Perfect for gift giving!*

# Congratulations to Our First Walthers Model Railroad Scholarship Winners!

It's our distinct pleasure to introduce you to the 2021 winners of Walthers Model Railroad Scholarship, John Gerdes and Aiden Mollohan! Both have been active modelers since childhood, and are adapting what they've learned in the train room to the classroom.

Trains have been part of John's life since age seven when his older brother bought his first set, and over the years, as John became an increasingly active member of the famed La Mesa Model Railroad Club. Planning and coordinating modern-era sessions for younger operators honed John's leadership and communication skills, while working on equipment provided a gateway for learning about electronics, mechanics and art. John is enrolled at Mira Costa College, where he's now studying finance.

As a member of the Elizabethtown (Pennsylvania) Train Guys, Aiden has been involved in a wide range of activities, from building benchwork to serving as the club's Webmaster! Exposure to so many facets of operating and maintaining a model railroad helped him develop organization and leadership skills, and fueled a growing interest in how and why things work. Currently enrolled at the University of Pennsylvania, Aiden is working towards his Bachelor of Science degree in mechanical engineering and applied mechanics.

Walthers scholarship program recognizes the important contributions of model railroading to science, technology, engineering, arts and math - STEAM for short - awarding \$2500 each to two deserving applicants.

**A Note on Availability**

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check [walthers.com](http://walthers.com), email us at [custserv@walthers.com](mailto:custserv@walthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.

**N USRA 4-6-2 Heavy Pacific - Sound & DCC - Paragon3™**  
Broadway Limited. Based on USRA originals and copies of 20 Heavy Pacifics built in 1919 for the Erie. The design was widely copied and many were in service until the end of steam. Each features full Paragon3 sound and DCC for realistic sound and motor control with back EMF for smooth slow speeds. The Paragon3 works with all Broadway Limited Rolling Thunder™ advanced sound systems. Other features include a heavy die cast body and chassis, smooth-running drive, applied details, directional warm white LED lighting and magnetic knuckle couplers. Operates on all DCC systems or standard DC with limited sound functionality. Wheels are profiled to operate on Code 55 and larger rail and curves of 9-3/4" radius or larger are recommended.
