## Friends,

I write to you again at the end of another unusual year to say 'thanks' for your support and for choosing to spend your time pursuing this great hobby. I continue to believe that model railroading is a welcome relief from the challenges that surround us, and I hope it brings you great satisfaction. I also would like to thank you for sticking with us.

Like many companies both inside our hobby and outside of it, we've had challenges keeping our shelves stocked fully with all the great products you have come to expect from us. The disruptions in supply chain have, at times, made it difficult for us to meet our own high standards and yours regarding what you'd expect we would have in stock regularly available for you. We continue to do our very best to overcome those challenges to get you what you need, so you can keep modeling!

And, I want to say thanks, in particular, for sticking with us for these past few months – on top of the supply chain issues, we've been having challenges with our website, which I know has likely been a frustration to you. Trust us, it's been a frustration to us, too! We've been working very hard to get back to the high-quality customer experience you expect from us. We are deeply disappointed by the circumstances that led to the problems we've been experiencing, and are committed to making it better. We hope you've seen some improvements over these last few weeks and that it will meet your standards again soon. We welcome your feedback if you'd like to share it at [webfeedback@walthers.com](mailto:webfeedback@walthers.com) – tell us how we're doing and if we're getting close to being that great Walthers.com experience you had grown to know and love. We are committed to getting there as soon as we can. In the meantime, thanks for your patience and please know we are here to take your call at 1-800-4-TRAINS.

We've been humbled by the challenges we've had to work to overcome this year, and by some really positive and wonderful things, too. Just check out the front pages of the 2022 Reference Book to see how alive and vibrant our hobby is among our NMRBO Contest winners, Brick & Mortar Brigade Hobby Shops, Yardmaster Generals, Future Fans and Club Car hobbyists. Take a look at our first ever Walthers Scholarship winners and be inspired by the young people thriving in our hobby. And, if you want to get someone started, take a look at the ad on page 12 for our new Build-A-World program – a great gift idea, designed to create the next generation of modelers, like you.

As we head into our 90th Anniversary year, we remain proud to serve you and grateful for your support.

We hope you have a wonderful, healthy, and happy holiday and modeling season. Please enjoy this Flyer, and from all of us at Walthers, thanks for being part of our community – we appreciate you!

*Spacy*

# It's Beginning to Look a Lot Like Christmas!

Looks like the city crews got them up just in time, but last night's snowfall added the perfect finishing touch to the downtown decorations. Out-of-towners looking forward to spending time with family and friends have started arriving and checking in at the Ashmore Hotel. Employees are busy putting the finishing touches on magnificent store window displays, ready to welcome crowds of shoppers. Across the street, the front lawn of the church is once more the scene of this year's annual living nativity, where eager members rehearse their lines one more time. Whether a seasonal display, or a year 'round layout theme, Walthers can help you capture the spirit of the holidays all year long.

And from all of us to all of you,

*Merry Christmas and a Happy 2022!*

## TEACHING NEW SKILLS

Each kit builds on the teachings of the previous, introducing you to the skills used in model railroading and the creation of miniature worlds. Already a modeler? Walthers *Build-A-World* kits let you brush up on your skills with easy to access "How-to" videos created by top modelers along with printed instructions.

### A Note on Availability

At Walther's, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at [custserv@walthers.com](mailto:custserv@walthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walther's and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
