INVESTING IN THE FUTURE

2022 WALTHERS MODEL RAILROAD SCHOLARSHIP PROGRAM

Wm. K. Walthers, Inc. wants to recognize the future of our hobby; the youth and young adults active in model railroading and pursuing a degree in one of the STEAM programs; Science, Technology, Engineering, Art or Math. Walthers is awarding two deserving young adults one \$2,500 scholarship each!

— MEET THIS YEAR'S WINNERS! —

MICHAEL NEWMAN
Clemson University

Michael began his model railroading journey at the age of 10 with a modest layout atop a 4' x 6' foam base. It was the larger 13' x 5' layout he started three years ago that provided the opportunity to apply STEAM disciplines learned during his high school engineering classes. These classes proved instrumental in giving him the confidence to tackle the building of benchwork as well as the wiring of rail, switches and LEDs. Michael also enjoys the artistic side of the hobby through the building and painting of structures. Michael will be pursuing a degree in mechanical engineering at Clemson University.

WILLIAM KINZER HURT
Clemson University

Currently a third year Landscape Architect student at Clemson University, William is actively working on two HO layouts. The larger is a 200 sq. ft. double-decker layout of the Blue Ridge Southern Railroad. The smaller layout is a 20 sq. ft. shelf-style switching layout of the First Coast Railroad in Fernandina Beach, FL. Enjoying the hobby since his middle school days, William credits his academic success at Clemson to the countless hours he spent studying landscapes as research for replicating scenes on his layouts. After graduation, William plans to extend his studies in the field of urban planning with a focus on transportation design, and post-industrial site restoration.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
